Dedication

For the first time in the history of Cumberland Township High School, the coveted WPIAL Class B Football Championship has been won by a Cumberland Team. In bringing this honor to our school, it took hard work on the part of the players and coaches alike.

Therefore as a small token of our gratitude, we, the student body of Cumberland Township High School, dedicate the Cumberlander of 1953 to the football team and their fine coaches, Mr. Cree and Mr. Stuvek.

I should like to take this opportunity to express my appreciation to all of you students for the fine spirit of cooperation exemplified in the successful completion of the many and varied activities within the school. It is with great pride and pleasure that your growth socially, as well as physically, mentally, and morally is observed as you assume the responsibilities of carrying out these programs. I congratulate you and offer my sincere best wishes to all.

D. P. VENEN

Many years ago someone said, "True order of learning should be—first, what is necessary; next, what is useful; and then, what is ornamental." As I accept this opportunity to congratulate the class of 1953, I trust that we have not strayed too far from that "true order of learning."

To you, the class of 54, we pass
The seniority of our class.
May you hold the honor high,
Never, never let it die.
To you, the class of 55, we leave
The hope and power to achieve
The nobility of fair-play,
May you use it in every way.
To you, the class of 56, we depart
Leaving to you, we hope, a kinder heart
And success in everything you do.
We wish all this and more to you.
To one and all in our dear school,
The key to success is the Golden Rule.
Always look upward to the sky
And don't forget dear Cumberland High.

Your Freshman year with an eager heart;
And when your Sophomore year was done
You found that high school could be fun.

And now this last year, then you're through.
Have all these years just been in vain,
Or have you really made a gain?
And so our thoughts will always be,
With you the class of 53.
To you go wishes for success,

Our boys deserve much credit for their efforts to make what turned out to be a creditable record. Coach Cree deserves applause for a job well done and Coach Stuvek also who turned in a good job of coaching the J. V. squad.

The boys who played their last season in the Blue and Gold line-up are: Schifko, Kessler, Guisler, Tressler, Gray, and Melvin Krutko.

The Basketball team of 1952-53, was the best squad in the county and one of the top teams of the section. Their season record was 16-6. They won 11 out of 14 league tilts to finish second to Centerville in the Section 22 standings.

FOOTBALL

The squad.

Under the capable leadership of coaches Al Cree and Fred Stuvek, the 1952 edition of the Mikes, which captured the first WPIAL Class B Championship in the school's history, could well be considered the greatest football machine ever assembled at C.T.H.S.

The team record speaks for itself. It can be seen that the Mikes were both a top flight offensive and defensive aggregation as can be seen by the fact that the Mikes scored an average of 30 points per game while holding the opposition to an average of 5 points per game.

The material of this squad was not the best ever had by a coach at this school, but such important factors as leadership, team spirit, and above all, *team work*, were vital to the aspirations of the ball club.

After four weeks of rigid practice, the Mikes found themselves host to the South Union Blue Devils in their home opener. The Devils were aggressive, but they lacked sufficient offensive power to overcome the Mikes and went home sporting a 19-0 loss at the hands of the Creemen.

The Mikes' next opponent was East Beth, where on a muddy field at Fredericktown the home team was soundly trounced 31-6 by a Carmichael's squad that showed signs of possessing a strong offense.

A young and inexperienced Masontown eleven was the next opponent for the Creemen. The Mikes really opened their offensive power with a 45-0 victory over the Gunners. This was one of the largest spread of points that either team had ever assembled in their long traditional rivalry.

A big and experienced eleven from North Union came to town next in a bid for a victory, but the Rams picked the wrong night to make this bid, for they also went home as one of the victims of the Mikes, losing a hard fought battle 19-0.

Mapletown greeted us with a sloppy, muddy field, but it took more than the combined efforts of the Leafs and Mother Nature to lick the Mikes on this occasion for the reading of the scoreboard revealed the Mikes to be the victor by the score 40-7.

The next game of the season brought to-

FOOTBALL

gether two unbeaten teams both struggling to remain in the WPIAL race, when the Mikes journeyed to Jefferson before a crowd of nearly 7,000 spectators. Jefferson had the enviable record of having played twenty games without suffering defeat. After a hard fought battle the Mikes ended up the victor 20-0. This victory helped to gather points which eventually enabled the Mikes to enter the Class B Playoffs.

The Red Raiders of Waynesburg came to town as the next foe for the Mikes, and after the traditional rivals had fought with every conceivable device in their power, the Mikes were on top 40-13.

In their next home encounter the Mikes met the big, strong Brownies from Brownsville. This game which was one of the hardest fought games of the season, saw the Mikes keeping their unbeaten status as they fought back numerous Brownie charges, while racking up another 19-6 victory.

A tough Glassport squad came to town in the Mikes' last regular season game with the idea of knocking the Creemen out of the Class B race, but the Mikes could not be deprived of this privilege as they outscored the Glassers 41-14.

When statistics revealed the Mikes were in a second place tie with Zelienople, the Mikes journeyed to Wilkinsburg for a special playoff clash. But the Mikes were determined they were not going to Wilkinsburg for the ride, and came home high from their fresh 40-13 victory over Zelienople.

The Mikes now traveled to Charleroi, where the Wildcats of Wilmerding, defending Class B Co-Champ, were striving to retain the title. In one of the most exciting games of the year, the Mikes, after holding the Wildcats in a desperation try for victory, went home with a victory and the Class B Championship.

Jerome Urda received a trophy from the Lions Club for being, in their opinion, the most valuable player on the football squad.

Urda, Ward, Kaprive, Nopwasky, Jazwa, Cielensky, Colbert, Haught, and Krutko were all mentioned on one or all of the All-County teams by the various newspapers. Urda, Ward, and Krutko were named on the WPIAL Team. Urda was given honorable mention on the All-State team.

The team did very well for itself as they set a new school mark for season scoring with 1214 markers for the season, averaging 55.2 points per game, while allowing the opposition 47.5 points per contest.

Norbert "Lanky" Schifko was our high point man. He dropped in an average of 23 points per game for a season total of 509 which eclipsed the county record set by Waynesburg's Ed McKenna in '52. "Lanky" also set a school record for points in one game with 38 against West Beth. Besides all this he won the scoring honors for Section 22 players.

Schifko, Krutko, and Colbert were honored by being placed on the All County Team by Mel Hart.

Schifko was chosen by the Uniontown Herald on its All-Section Squad.

For a while during the season it looked as if Cumberland would get the Section 22 title as the Mikes put eleven straight league frays on ice, but the strain of putting together a fourteen-game winning streak finally caught up with us and the last part of the schedule had us playing the three toughest teams in the section, East Beth, Center-

BASEBALL–1952

Although an acute shortage of pitchers prevailed at the beginning of the season, Al Cree and his Mikes came through with a very successful baseball squad to regain the baseball championship of Greene County.

The Mikes were led by Joe "Stumpy" Stehulak who had a 10 game winning streak going up to the Perryopolis game. "Chuckie" Grimm also played an important role in the success of the club. Joe Rumancik led all batters on the squad with his .462 batting average. "Yogi" Jazwa also was up in the high circles with a .367 average.

After running straight through their section without a loss, the Mikes were engaged in the WPIAL playoffs. They first traveled to Masontown where they met the Uniontown Red Raiders and trimmed the Raiders 2-0. Then the Mikes hit the road to Brownsville where they met Perryopolis. This time the Mikes were not equal to the occasion but put up a hard fought battle losing 6-4.

The Mikes lost seven lettermen but the remaining part of the squad will be back to carry on. Their school fans hope that they will be the nucleus of another championship team.

TRACK–1952

The 1952 Track and Field Teams participated in four events. They were as follows: A quadrangular meet at Brownsville, a triangular meet at Cumberland, a county meet also at Cumberland, and the WPIAL Tourney at Pittsburgh.

In our first meet our best efforts gave us third place with 19 points.

In the Triangular Meet at C. T. H .S. Waynesburg took the choice place with 55 points, Cumberland came in second with 34 points and Mapletown, third with 19 points.

Waynesburg again won top honors in the Greene County Meet with 56 points, Mt. Morris, second with 32 points, Cumberland, third with 27½ points, Mapletown, fourth with 23½ points and Jefferson, fifth with 23 points.

In the WPIAL Meet our relay team composed of Haught, Hillsman, Fabery and Kronk placed second and Lawrence Krutko placed fifth in the javelin throw.

Our best showing in the Triangular Meet was the result of the efforts of Kronk who placed first in the 880 yd. dash, Davidson who placed first in discus, Krutko who placed first in the javelin, Haught who placed second in the 220 yd. dash and Guisler who placed second in the 440 yd. dash and third in the shotput.

The following boys won their varsity "C's": Kronk, Davidson, Guisler, Haught, Krutko. The latter three are still with us and with their past experience in track and field and with some new recruits, Coach Stuvek is hoping to build a team to carry on the usual good work and sportsmanship.
